## Westerly Judge Desires Re-Election

In Second District Court—Fire Loss of \$1,500 by Burn-  
ing of Barn—Coming to Organize Boy Scouts—D.  
A. R. Plans Prizes for Eighth Grade Pupils—Michael  
Flynn has Paralytic Stroke.

Although the republican state central  
committee, which is favorable to the  
election of Henry F. Lippitt to succeed  
Senator Aldrich, has announced that  
no offices within the gift of the general  
assembly would be filled until after the  
choice of a United States senator, the  
legislators have decided upon a grand  
committee session for next Tuesday.  
At that time there will be elected a  
commissioner of sinking funds, two  
members of the state board of educa-  
tion, a judge for each of the twelve  
district courts in the state, a clerk for  
each of those courts, an associate  
judge for the sixth district court,  
clerk for the superior and supreme  
courts, a sheriff for each county in the  
state, and for inspectors of minor im-  
portance.

In the second district court, which  
includes in its jurisdiction the towns  
of Westerly, Hopkinton, Charlestown  
and Richmond, Oliver H. Williams is  
the present judge and Edward G. Cun-  
ningham is clerk, with court office in West-  
erly. Judge Williams is candidate for  
re-election and his only known oppo-  
nent is Samuel H. Davis. Clerk Cun-  
ningham is not a candidate for re-election,  
but there is no lack of candidates for  
the clerkship. The leading aspirants  
are Attorney Clarence E. Roche, who  
has office with Judge John W. Sweeney,  
Attorney Everett A. Kingsley, who  
served a term as town solicitor, Louis  
Favero, a law student in the office of  
Attorney A. T. L. Ledwith, and Gurdon  
Kenyon of Hopkinton.

George H. Hillman's barn in Franklin  
street, a long distance outside the fire  
limits, was totally destroyed by fire  
causing a loss of \$1,500, which is par-  
tially insured. Mr. Hillman was in the  
barn with a lighted lantern when the  
lantern suddenly exploded and in an  
instant the four tons of hay in the  
barn was ablaze. Mr. Hillman suc-  
ceeded in getting out the live stock, a  
horse, two cows and a calf.

Michael Flynn was stricken with  
paralytic vision when in Elm street  
Wednesday evening while on the way to his  
home in Rocket street. He was accom-  
panied by Maurice Brandfield and  
when in front of the residence of Wil-  
liam Sear Mr. Flynn complained of a  
numbness in his right leg. Mr. Brand-  
field assisted him along the  
street. When in front of the residence  
of Arthur Cottrell Mr. Flynn succeeded  
but was prevented from falling by Mr.  
Brandfield. A cab was summoned and  
Mr. Flynn was taken to his home.  
Mrs. Scanton and May were called  
and found a complete paralysis of the  
entire right side. Mr. Flynn was con-  
scious but was not able to speak co-

herently. Dr. Scanton attended him  
during the night and Thursday morn-  
ing he was much improved. He was  
able to move his right arm and leg  
and apparently realized his condition.  
Mr. Flynn is father of Councilman  
Maurice W. Flynn and brother of Mrs.  
Michael Ring of Norwich, who came to  
Westerly as soon as notified. He has  
been in such poor health that he could  
not work at his trade of stonemason for  
the past three months, but was not  
confined to his home.

The monthly meeting of Phoebe  
Greene Ward chapter, Daughters of  
the American Revolution, was held in  
the assembly room of the public library  
on Thursday afternoon with forty-five members in at-  
tendance. Mrs. Elisha Burdick read an  
addressing paper on Ralph Waldo Em-  
erson.

Mrs. Harriet S. Langdon, Silas Nye,  
principal of the Elm street school, and  
Amey Hazard were appointed a com-  
mittee to select subjects for competi-  
tive prizes for essays to be written by  
pupils of the eighth grade in the pub-  
lic schools of Westerly. Mrs. Elisha  
Burdick, Mrs. Harry B. Agard and  
Mrs. P. C. A. Jones were selected as  
the judges.

Miss Margaret Mahoney gave a re-  
ception at her home in Liberty street  
Wednesday evening in honor of her  
guests, Miss Elizabeth A. McCoy of  
New York and Miss Fannie Sullivan of  
New London. Among those in attend-  
ance were Miss Margaret Higgins, Miss  
Mary A. Fallon and Miss Monica Shea,  
Dr. James M. Crowley, Warren Car-  
penter, C. Leo Higgins, Thomas V.  
Clancy, Joseph Hernon, John Reardon  
and Richard Shaw. There were vocal  
solos by Messrs. Clancy and Hernon,  
the latter singing with effect an origi-  
nal song entitled Merry Sunshine. At  
luncheon there were special souvenirs  
fitted to the temperment of the guests.

William W. Hiscox, scout master for  
Westerly for the Boy Scouts of Ameri-  
ca, has received notice that Preston G.  
Oring, field secretary, will visit West-  
erly in the near future and confer with  
the local committee relative to forma-  
tion of branches of the organization.

Mr. Hiscox has also received notice  
from Ernest Thompson Seton, the chief  
secretary, announcing that James E. West  
has assumed the duties of executive  
secretary of the Boy Scouts of America  
and emphasizes the fact that the  
American Boy Scouts founded by Wil-  
liam Randolph Hearst and the Boy  
Scouts of America are distinct organi-  
zations and have no connection with  
each other.

The reference made to the granite  
situation in Westerly had special ref-  
erence to the Quarrymen's and not the  
Granite Cutters' union, the informant  
having been misunderstood. In this  
connection the present and prospective  
rate of wages of granite cutters in  
Westerly in comparison with other  
granite cutters will be of some interest.  
The present minimum wage in  
Westerly is \$2 1-2 cents an hour and  
the new bill of prices, to be in force  
for three years to begin March 1, 1911,  
asks for 43 cents an hour. At Barre,  
the present rate is 40 cents and 40 1-4  
is asked. The present rate at Con-  
cord, N. H., is \$3 1-2 cents an hour  
and as the present agreement does  
not expire until May 1 next, the new  
bill of prices will not be submitted to  
employers until February 1. At Quin-  
cy the present rate is \$7 1-2 cents  
and 42 cents is asked. In Boston the  
minimum rate per hour is 42 cents  
and the present agreement does not  
expire until April 1. At Hurricane  
Isle, the present rate is \$7 1-2 cents.  
At Milford, N. H., the present price  
is 35 3-4 cents, and in the new bill  
of prices 42 1-2 cents is asked.  
It will be noted that the present  
minimum price per hour in Westerly  
is the lowest in the group, excepting  
Hurricane Isle, while under the pro-  
posed bill of prices the price asked is  
the highest, although the price to be  
asked in Norwich could not be ob-  
tained.

The installation of officers of Mas-  
tuet camp, No. 2, Woodmen of the  
World, took place in the lodge  
rooms Thursday. The following offi-  
cers were installed: Council comman-  
der, W. H. Holland; advisory lieuten-  
ant, J. N. Fanning; clerk, Howard  
Greene; banker, C. H. Woods; escort,  
W. E. Kerens; sentinel, Frank Tur-  
ner; watchman, J. W. Welch; man-  
agers, George Stratton, W. E. Kerens,  
J. T. Murphy; deputy, W. H. Hol-  
land; doctors, Senior and Payne.  
These officers were installed by past  
council commander J. T. Murphy. Fol-  
lowing the business of the meeting a  
turkey supper was served to the com-  
pany.

**Local Laconics.**  
Speaker Bliss appointed Representa-  
tive Langworthy of Westerly on the  
committee on rules and order.

Mr. and Mrs. Henry Segar will  
spend the balance of the winter in Cal-  
ifornia, leaving Westerly Sunday.

The members of the Westerly high  
school football team had the annual  
supper at the Dixon house, Thursday  
evening.

C. Clarence Maxson, Jr., of West-  
erly, has been appointed a member of  
the ball committee of the senior class  
of Brown university.

Rev. William F. Williams, rector of  
Christ Episcopal church, will attend  
the consecration of Bishop-elect James  
DeWolf Perry, Jr., in St. John's church,  
Providence, today (Friday).

Col. Robert F. Rodman of North  
Kingston, who has been engineer for  
the state board of public roads since  
its creation, has resigned by reason of  
pressure of other work.

Rev. William L. Burdick and family  
removed Wednesday from Asha-  
way to Altred, N. Y., where Mr. Bur-  
dick is to assume the pastorate of the  
Seventh-day Baptist church.

It is said that a quarrelsome at-  
tempt to win all the cash there was  
in a New London poker room Wednes-  
day night and dropped \$200 or more in  
the attempt.

William Griffiths and Marion Hyman,  
the Fort Mansfield soldiers, who were  
arrested in New York for the theft of  
silver from a New Haven hotel, plead-  
ed not guilty in the superior court at  
New Haven Wednesday. Hearing was  
continued until the arrival of the wit-  
nesses from Vermont. The soldiers are  
wanted for thefts committed in West-  
erly.

### STOMACH DISTRESS SIMPLY VANISHES

Indigestion, Gas, Heartburn, Dyspepsia or a Stomach Headache Go  
and You Feel Fine in Five Minutes—Just a Little Diapiespin  
is Always Effective.

As there is often some one in your  
family who suffers an attack of indig-  
estion or some form of Stomach  
trouble, why don't you keep some  
Diapiespin in the house handy?  
This harmless blessing will digest  
anything you can eat without the  
slightest discomfort and overcome a  
sour, gassy Stomach five minutes  
after.  
Tell your pharmacist to let you read  
the formula plainly printed on these  
50-cent cases of Pape's Diapiespin,  
then you will readily see why it makes  
Indigestion, Sour Stomach, Heart-  
burn and other distress go in five  
minutes and relieves at once such mis-  
eries as Bloating of Gas, Eructations  
of sour undigested food, Nausea, Head-  
aches, Dizziness, Constipation and  
other Stomach distresses.

The board asks for a total of \$562,354,  
besides the regular one-mill tax for  
new schools.

**Forestville.**—Hon. Frederick N. Man-  
ross, who for years has conducted a

### STOMACH DISTRESS SIMPLY VANISHES

Indigestion, Gas, Heartburn, Dyspepsia or a Stomach Headache Go  
and You Feel Fine in Five Minutes—Just a Little Diapiespin  
is Always Effective.

Some folks have tried so long to find  
relief from Indigestion and Dyspep-  
sia or an out-of-order stomach with  
the common every-day cures after-  
tized that they have about made up  
their minds that they have something  
else wrong, or believe them in a case  
of Nervousness, Gastritis, Catarrh of  
the Stomach or Cancer.  
Your real trouble is, what you eat does  
not digest; instead, it ferments and  
sours, turns to acid, Gas and Stomach  
poison, which purely in the diges-  
tion, and without the slightest dis-  
comfort or misery of the Stomach, is  
waiting for you as soon as you decide  
to try Pape's Diapiespin.
